

2/24/10

Dear clients, staff, and families of SERP Oregon City:

Enclosed is the Oregon City recreation program's March 2010 calendar. Below are the fees associated with each activity. Instead of paying each day for an activity we ask that participants provide SERP with \$30, which staff will use to pay for activities as the client participates. We will keep an ongoing tally so you can check the amount spent and remaining at any time. Please provide SERP, **at the beginning of the month**, with a list of days you plan to attend and the amount to cover the activities on those days. **Please provide SERP with 24 hour notice if you need to cancel or request additional services.**
